

# MARCH-athon

## Sponsorship Opportunities

### #MarchforMeals

During the month of March, hundreds of local Meals on Wheels programs across the country reach out and build support that will enable them to serve America's seniors all year long. The 19th Annual March for Meals celebration gives businesses, organizations, governments, and the volunteers who contribute so generously, an opportunity to support homebound seniors to make America stronger and healthier.

For **55 years**, Neighborly's Meals on Wheels have delivered more than just nutritious meals to seniors at risk of hunger and isolation all across Pinellas County; our staff and volunteers also make friendly visits and help our seniors remain safe in their own homes, where they want to be.
